The Plague Commissioner
in Mysore.

Sir,

With reference to your remarks on the Diary of the Chief Plague officer dated the 17th March 1900, I have the honor to State that the loan Sanctioned for the improvement of the city was Rs 117.22. Not only the whole amount has been spent, but a Sum of Rs 6915 has yet to be paid for the houses and lands purchased for the above purpose.

2. As personally instructed by you another Estimate for Rs 262,911 was made for the further improvement of the city and

2

and the same sent to Govt? you with this office
letter No. 710 of 26.4.99 for moving the
Govt. to accord Sanction to it, and grant
the amount required as a further loan.
Then the Municipality was asked by the
Govt. to shew the ways and means to redeem
the loan asked for, and a detailed report
was submitted shewing the ways and means.
The whole project is still pending before the
Government.

3. In that project, provision has been made to purchase several houses which have been condemned by the Health officer as unfit for human habitation, either for opening Conservancy lanes or main Streets. Besides a sum of Rs 20000 has been provided for pulling down such other houses as the Health officer may name.

4 If the Govt. is not pleased to sanction the above loan, I request you to

at least a Sum of Rs 40000 to remove the
houses required to be demolished under t
Health officer's certificate.

5. A Copy of the Extract of the
Chief Plague officer's Diary with your remar
is herein enclosed for ready reference.

6. In the meanwhile the Municipal -
Executive Engineer Mr. Krishnaswamy Iye
may be authorized to make estimates
of the houses required to be removed
under the Health officer's certificate.
This authorization has to be published
the Gazette as per rules.

My dear Friend

On the Mysore City Municipal President's letter No 528 dated the 31st March 1900 forwarded with your letter No 7727 dated the 27th April re-funds required for re-sanitation of the City, the Dewan has made the following remark; "I should like the Plague Debt to constitute the matter of demolition of condemned houses and reduced the cost to the lowest possible minimum", and he has directed

that a copy of this remark
be sent to the League Commissioners

~~My dear Srinivasaraghava~~

Referring to your D.O. of the 13th, please see Govt. Pro. No 12970-72 dated L.J. 204-93 11th April 1898 in which a loan of Rs. 117,225 was sanctioned by Government for opening out certain congested parts of the

Mupore city. The Plague Depte has nothing to do with the Expenditure incurred out of this amount, for which the President says he has submitted detailed accounts to Govt.

It will be seen from the President's letter forwarded with my letter No 7727 dated 27th April 1900 that what is now wanted is a further loan of 40,000 Rs for the

13th August 1900.

Met the Deputy Commissioner
C.P.O
the ~~Health Officer~~ and the
Vice President, at the
Town hall. The City Inspector
of Police brought to notice
that as dead rats were
found in the Lushkar
Police Station, the Police were
removed to the old Taluk
Katchery for want of
better accommodation
and to get the Station
thoroughly disinfected.

He

Owing to dead
rats having been
found in the Police
Station in Lashkar
the office appears to have
been stuffed & the old
Taluk Cutcherry. This
is also in an insanitary
quarter. At the suggestion
of the Deputy Commissioner I advised
the Police Station being removed
to Lacey's Court. A portion
of it is now occupied
by the P.W.D overseer
dead rats are reported
to have been found in
the Mandy Police
Station. The Police

He also said that dead rats were found in the Mandi Police Station and suggested that they may be given some other building. The Deputy Commissioner said that Old Lacey's Court is at present occupied by an overseer. I think this may be made available for the Police.

From the Town Hall, ~~drove through~~ passed through Doddapet, Vokkalgere, Kalaumman Koil Street. Inspected some of the bye-laws.

Of the Station also may be removed from the ~~present~~ building occupied by them at present

In some of them found portions of buildings partly demolished, affording shelter for people to commit nuisances. Advised that the Municipality ~~Ordered~~ & ~~should~~ put into force the bye-laws regarding such open spaces being kept clean.

Passing through the Railway Road, noticed some lanes partially that for the purpose of opening out lanes which were already taken

Asked the vice President & let these places as also open spaces between houses which also ~~offo~~ were not properly conserved. & thoroughly cleaned

some houses ~~to be~~ today & having been left & still standing &c

Opened for purpose of thorough ventilation it is necessary that the lanes should be driven right through the congested parts all houses standing on the way being removed

taken up by the munic
-ipality and partly
completed by them,
certain buildings
had to be knocked down

From here passed
through a very badly
infected street, to
the Mundi Police Station
From there to the Chama

also badly infected,
Came to Doddapetta.
Inspected the Old Taluk

Station Compound extended to prevent the nuisance that now exists there. In the lane behind the Station 3 or 4 small huts have been partly demolished but and the debris has not been completely removed. The open space is used as a public latrine and the Deputy Commissioner was asked to bring the Municipal bye-laws into force in this locality

is a source of annoyance to the public & to the neighbourhood. I asked the Vice President to get the place thoroughly Cleaned up & take measures for the proper Conservancy of the open space

Passed through Subbay
gulli and came to the
Clock Tower. Drove
Cont
to Lacys ~~Bungalow~~.
Found it locked and
not ~~accessible~~ available for
inspection. From there
went to Balramsing's
Cont'd
Bungalow. ~~This was also~~
~~not accessible for~~

14th August 1900 Passing through the
Mutt Street, was given
to understand, that in
a small house next
to Pleader Krishna
Rao's there were three
deaths within a short
period. On enquiry
found that a woman
was recently confined
and she with the
infant

was sent to the Palace
Comptroller so that
the rooms in Jagan-
=mohan ~~Palace~~ might
be opened to guard
against infection being
Conveyed into the Palace
from the ~~adjoining~~
houses in the vicinity

Came to the Town Hall
and heard that there
had been already 5
deaths in the morning
i e by 8.30, ordered

D. P. W, Rs 40,000/ have to be sanctioned immediately for the prompt execution of works (1) & (2), and I strongly recommend a grant of Rs 30,000 being made to enable them to carry out the drainage of the Mysore City that calls for a work to be taken in hand without loss of time and the President thinks that a regular Survey of the City is essential to

thorough Ventilation as also the demolition & removal of Condemned houses. As well begun expended within the last 4 years should be completed without loss of time - I understand owing to want of funds the work has been stopped at different stages of progress. This ~~unfinished~~ & partial demolition & opening only adds to the unhealthiness of the place ~~& to all attempts at thorough Conservancy~~ by making it difficult & expensive to conserve the places properly. The D.P.W. Calculates the cost of completing the demolition of condemned houses at 20000 & of opening into Compound parts of Rs 10,000

estimate of cost. I think the matter may be referred to the Chief Engineer and that he may be requested to order the preparation of plans & estimates. if improper to be saved from recurrence? Yes

Sir.

With reference to para 1 of Govt Pro: No Pg 343-8 & 11th October 1900, I have the honor to submit herewith a statement, with plans, received from the President City Municipal Board Mysore Shewing the area and assessment of the lands proposed to be acquired for the Chattanhalli Idga, Evangere & Jalpuri Extensions and the amount of Compensation payable therefor, and to State that the President

Who has already paid from the General Sources noted in the margin Rs 8,460-7-0 out of the total amount of Compensation of Rs 13,325-3-0 fixed for the lands, has now applied for a loan from Plague funds Rs 6,276-4-0 required to settle the Compensation and to adjust the last item.

2. As the procedure adopted by the President in utilizing for this purpose, the amount Specially allotted for these works is unauthorized & is likely to create unnecessary confusion in the accounts, I think the Whole amount of Compensation viz Rs 13,325-3-0 may be advanced to the Municipality as a loan, in addition to the 39,000 Rs Sanctioned in Govt Pro: No 3089-92 L7. 3086 dated 28th August 1900.

This would enable the President not only to adjust the amount
